

iCare cordially invites you to the

# 2014

## Stockholm Medical Tourism Conference

8-9 May 2014, Stockholm

# Patient mobility

from Sweden to EU  
– and beyond

Medical Tourism is a relatively new term in Sweden, but not internationally. As of October 25, 2013, owing to directive 2011/24/EU coming into effect, the underlying concept has become more visible than ever before.

- What are the needs of the Swedish patients?
- What are the objectives and resources of the Swedish healthcare system stakeholders?
- What can international providers and operators contribute for the benefit of all involved?

### Preliminary topics

Medical tourism introduction, the Swedish healthcare system and medical tourism, contact points, referring patients abroad, the patient journey, risks in cross-border healthcare, hospitals/clinics and their services.

**GET INVOLVED: Share your needs, knowledge and experience!**

Suggestions on/requests for topics are welcome. Parties interested in delivering a presentation will need to submit a short summary in advance.

### How to participate

Reservations and inquiries are made by sending an Email with name, title and organization for all persons to: [smtc@icare.nu](mailto:smtc@icare.nu)

All parties with reservations will be contacted for registration.

### Cost of participation

	<u>Reservation</u>	<u>Registration</u>
1 <sup>st</sup> participant/organization	€80	€400
Accompanying persons	€60	€300

Registration-fee includes full access and all meals both days. Prices are exclusive of 25% VAT, which will be added on invoice. Reservation-fee (non-refundable) billed separately. We can assist with hotel booking.

Take this opportunity to meet and influence the Swedish stakeholders. Showcase your services and find common ground to benefit both your operations and the patients within the Swedish healthcare system. **See you in Stockholm.**
